Partners: Full Sponsorship of our Mission

Corporate Partner: \$7000

Conference Partner: \$4500

Corporate Partners are corporations, both for-profit and non-profit, who are committed to the success of The Arc California in its mission for full community participation for people with intellectual and developmental disabilities and

their families. These partners are listed in all printed materials as sponsors for our annual Public Policy Conference, one month of our weekly Monday Morning Memo, and can attend activities with our Executive Director and a lunch with our Board of Directors.

Conference Partners are a major source of support for the conference, enabling us to maintain a reasonable registration fee and feature nationally known expert speakers. Corporate and Conference Partners will be introduced when the Conference convenes on Monday morning. Two tickets to attend the conference and all events will be provided, and an exhibit table will be available as requested.
