ST JOHN GALA DINNER & AUCTION ~ 2018

<http://auction.st-johnschool.org>

Greetings St. John Community!

We are Karen Gunther Bombino and Kristen Capka, the auction co-chairs for the annual St. John Auction that will take place on Friday, April 20<sup>th</sup>, 2018 at Fremont Studios.

This year, St. John will be celebrating our 33<sup>rd</sup> Annual Auction and our continued success can be attributed to the generosity of you, our community partners. All proceeds from this auction directly benefit our students by contributing to the school's operating budget, curriculum enhancements, and supporting our unique Fair Share Tuition Program. The Fair Share program allows people to pay what they can; this unique and successful 25 year-old program allows St. John School to be one of the most accessible Catholic schools in Seattle.

Our students are passionate about serving their local community. They conduct annual food drives to support the Ballard Food Bank, collect winter clothing for St. Vincent De Paul, and coordinate collections for West Side Baby. Your donation will allow us to continue to provide the best possible academic and citizen education for our students.

Please consider a sponsorship for St. John's auction. We have a variety of sponsorships from \$100 to \$2500+; each level contains specific sponsorship benefits. Please see the attached sheet for details.

We will acknowledge your gift on our Auction website, in the Auction catalog, and at the event itself. St. John School is a not for-profit organization and our tax ID # is 91-0577482.

Thank you for considering a sponsorship to our school auction. If you have any questions or would like to discuss a donation or sponsorship further please do not hesitate to contact our auction office at [fundraising@st-johnschool.org](mailto:fundraising@st-johnschool.org).

Best regards,

Karen Gunther Bombino & Kristen Capka
