

ONC Organization Structure (Church Roster)

Thanks to all who consented to be part of the inaugural class of board members in the new organization structure for ONC. These are the people who will help shape the future direction of our church by their creative and dedicated work. A preliminary roster of board members is shown on this page.

A few openings remain on each of the five ministry boards. The Nominating Committee for filling board positions, consisting of Dara Vanremoortel and Dave Hostetter, has nearly exhausted their ideas for additional board members. *Dave and Dara will welcome volunteers, especially a few more men and relatively newer church member to ensure a diversity of ideas.* Please contact Dara or Dave for more information, they would love to hear from all potential volunteers.
