Purpose

The Agents of Change Conference will provide free training to 250 professionals that provide services and impact the lives of nearly 500,000 seniors and persons with disabilities (SPDs) living in the Inland Empire. - ✓ Building technical skills base on ADA principles and other disability policy
- ✓ Reconnecting to our Roots: Why do we do advocate for change?
- ✓ Practical techniques that enhance services and bring financial resources to the Inland Empire
- ✓ How can leaders incorporate change in their organization's policy and provide efficient services for SPDs?
