

## Greetings honored guests!

We're thrilled you are joining us Thursday, October 11<sup>th</sup> at 6pm at International Market Square in Minneapolis.

Please read these important alerts.

### **Building Entrance**

International Market Square (IMS) is being remodeled and the usual "Market Street" entrance to the building is obstructed. Guests will instead use the entrance facing Glenwood Avenue, on the building's south side. Pathways will have signs outside that door to welcome you. There are six stairs up to this entrance and no accessibility ramp—please read below for the accessible entrance.

### **Parking and Accessibility**

The IMS parking lot on Market Street is also closed. We have three parking options for you.

- **Complementary Valet** A valet station will be in front of the Glenwood Avenue entrance at no cost to you.
- **Self-parking across the street** Guests can park in the free surface lot directly across Glenwood from our entrance to IMS. For reference, this parking lot covers one block between International Market Square on Glenwood, and the Hirshfield's buildings to the south (Hirshfield's sign is a prominent landmark.) After you park in this lot, you will cross Glenwood to enter the Glenwood entrance of IMS.
- **Self-Parking with accessible entry** The IMS north parking ramp includes accessible entry to IMS via its upper level skyway. Event staff will meet guests at the skyway entrance to IMS to help direct you to our event area.

### **Bring cash, check or debit card!**

To play our "Heads or Hearts" necklace game and win an amazing trip to Tanque Verde Ranch in Tuscon, please bring cash, check or debit card. This fun game is considered gambling and by law cannot be charged to a credit card. The costs is \$20 for a necklace, and you may buy up to 2 necklaces.
