

## **TORAH TALK**

**Saturday, January 20**

**10:30 a.m.-12:00 noon**

at the home of Gil and Lynne Blumenthal

Relationships, leadership, a blueprint for life .... it's what Torah is all about. Become part of an ongoing 4,000-year-old conversation when you join us for Torah Talk, one of Kehillah's most-loved traditions. It's a morning filled with questions, conversation, and laughter. Best of all, no prior knowledge is needed. All are welcome. Please RSVP by Thursday, January 18 to Ellen at [lermanell@aol.com](mailto:lermanell@aol.com).
