

Bio

Elaine Lips

Elaine Lips, B.S., RHIA
Vice President HIM & CDI Consulting Services
Xtend Healthcare

Prior to being acquired by Xtend Healthcare, Elaine was President & CEO of ELIPSe, Inc, a consulting firm dedicated to transforming health information management. Elaine also co-owned ELACOR Resources Group, inc. from 1990 to 1998 when she and her partner became part of a four company rollup with three revenue cycle consulting firms to create Certus Corporation. She has thirty years experience in HIM consulting and information systems in the user, integrated health organizations, and vendor environment.

Elaine is an Advanced Member of HFMA, Senior Member of HIMSS (Health Information Management Systems Society), and has been very active with the AHIMA (American Health Information Management Association). She also served on California Health Information

Association's board of directors.

Elaine had served on the HIMSS ICD-10 Task Force from 2011- 2016, and is currently serving on HIMSS' Revenue Cycle Improvement Committee. She is also an Editorial Board Member for HcPRO's HIM Briefings. She is a frequent speaker and author. Elaine was the recipient of AHIMA's prestigious Visionary Award.
