## Pursuing Your Passion Success Strategies for a Rewarding Personal and Business Life by Theresa M. Szcurek, Amazon Bestselling Author

Many of us seek something we can't seem to find in our daily routines—passion. In *Pursuing Your Passion*, Theresa Szcurek reveals the results of her extensive "Pursuit of Passionate Purpose" research on how to live a life with passion and purpose. Featuring the everyday wisdom of eighty real people from many walks of life, along with the success strategies she learned as an engineer who went on to climb the corporate ladder and from taking her entrepreneurial company to \$40 million, Szcurek presents a practical guide for pursuing purpose and, by extension, gaining the real rewards of life.

Come learn practical pointers for being a healthcare financial manager with more passion, more purpose, and more success! Discover a formula that can reenergize you and your staff resulting in more productivity, meaning, and fun.

### What people are saying:

*"Pursuit of Passionate Purpose* is guaranteed to bring new energy and introspection to everyone."

President, JP MorganChase

Clair Beckmann, Regional

"Outstanding!—not only for those in business, but for every heart searching for fulfillment."
