

Bio

Alicia Hanson

Alicia Hanson

Alicia Hanson is Recondo's Senior Vice President of Business Development. Alicia is a seasoned healthcare professional who brings to her role more than 15 years of revenue cycle experience and a wealth of market knowledge and industry relationships. She was previously Senior Vice President of Revenue Cycle for MedAssets, where she managed value-added revenue cycle reseller relationships. Before that, Alicia was MedAssets' Assistant Vice President of Revenue Cycle, overseeing sales teams, defining new processes and tools, and identifying target accounts. Alicia also has served in senior leadership positions related to the hospital revenue cycle at Lifecare Management Services and Cerner.

Alicia holds a BA in business administration from St. Ambrose University.
