Race for Hope - DC supports brain tumor research on behalf of the National Brain Tumor Society. We are fiercely committed to finding better treatments, and ultimately a cure, for people living with a brain tumor today and anyone who will be diagnosed tomorrow. This means effecting change in the system at all levels. Since its inception, the Race for Hope - DC, presented by Cushman & Wakefield, has raised over \$29 million.

We hope to see you at the Chili Cook-Off!
