

## Report of Crown Point Team

commissioned to First Presbyterian Church of Crown Point

The Administrative Team for First, Crown Point is happy to update the Assembly on our progress. On Sunday, January 15, 2017, the Reverend Jane Young filled the pulpit at First, Crown Point for her first Sunday. From that Sunday she has begun her service as the transitional pastor. I was able to attend her first meeting with the Session as well as Jennifer Burns Lewis to support the transition to her leadership. Following that meeting, we decided to not continue to staff any of the church's committees.

We remain available for any consulting or help in any way with Jane, the session or congregation and believe that will continue in 2017.

A HUGE thank you again to the entire team of Mark Mueller and Quincy Washington who served as Co-Moderators of the Session, Jill Kitowski and Hank Cox as well as tremendous support from Jennifer Burns Lewis, Catherine Moran and Linda Long.

I am certain that the everyone involved with First, Crown Point would very much welcome your continued prayers as they move into a new period of service to Christ.

Respectfully submitted,

Rick Ryan, CRE Elston
