

Reducing Healthcare-Acquired Conditions in Nursing Homes

Webinar: A New Look at Managing Falls

Thursday, Feb. 2, 2017 • Noon–1 p.m. Mountain Time, 11 a.m.–noon Pacific Time

Webinar Objectives

Participants will be able to:

- Utilize root cause analysis in the investigation and prevention of resident falls.
- Analyze the internal, external, and systemic conditions and operations that may contribute to the causes of resident falls.
- Identify appropriate interventions to the causes of the falls.

Target Audience

The webinar is designed for nurses and other nursing home staff.

Speaker: Sue Ann Guildermann, RN, BA, MA

Sue Ann Guildermann has more than 40 years of experience providing education, leadership and consultation to non-profit and for-profit long-term care organizations. She currently designs and produces educational seminars and conferences for Empira, a consortium of 24 skilled nursing facilities and 14 assisted living facilities in Minnesota. Sue Ann received the Chairperson's Award from the Care Providers Association of Minnesota "in recognition of her outstanding leadership in educational programming."

To Participate (Please join the event 15 minutes prior to the start time.)
