

## Reducing Healthcare-Acquired Conditions in Nursing Homes

### Webinar: Pressure Injury Definition and Stages: Changes to the Staging System in 2016

Tuesday, March 21, 2017 • Noon–1:30 p.m. MT, 11 a.m.–12:30 p.m. PT

Joyce Black, PhD, RN, will provide an update on the National Pressure Ulcer Advisory Panel's (NPUAP) changes in terminology and in the staging system. In addition, Dr. Black will discuss pressure injury prevention and treatment strategies due to medical device-related pressure injuries and mucosal membrane pressure injuries. **Note: this presentation is 1.5 hours long.**

#### Webinar Objectives

Participants will be able to:

- Describe the rationale for changing the term “pressure ulcer” to “pressure injury.”
- Identify the changes in the 2016 NPUAP staging system.
- Identify pressure injury prevention and treatment strategies.

#### Target Audience

Nursing home staff

#### To Participate *(Please join the event 15 minutes prior to the start time.)*

1. Click or copy and paste this URL to your web browser: <https://qualitynet.webex.com>
2. This should bring you to the QualityNet e-University webpage
3. Locate the event you wish to join and click “Join” (located to the right of the event title)
4. Enter your name and email address as prompted
5. Enter the password: PRESSURE
6. The automatic system set-up should start at this point. If a dialogue box appears, click run. Please note, the automatic system set-up does take a few minutes to complete.
7. Dial in to the teleconference

Teleconference Number: 1 888-896-0862 Access code: 44077190
