PEACE CONCERT IN ST. LOUIS

Hope and love for tomorrow

Harnessing the universal appeal of music, **Harmony For Peace Foundation** serves as a bridge among nations and cultures. Music touches people's hearts and serves as a vehicle of communication regardless of nationality, language, culture or faith.

In Honor and Memory of Liam Picker

This special day will provide a platform for professional and young musicians to join together in a call for a more peaceful and harmonious world. Every life matters and hope of young people must be supported with love and respect. We hope to echo our message for these values and to be shared by all participants at the concert. This concert will bring a united vision for humanity through the power of music. Please join us to celebrate the *Unity Through Music* for hope, love and peace.
