Car Program – 1 Car Provided

Uplift Charity had the privilege of “uplifting” a family with the gift of a car. We would like to thank our donors for their continued support for this much-needed program that gives our families the mobility and capability to attain self-sufficiency. Please reach out to Uplift to find out how to donate a working car that can Uplift a family’s life.

Employment Opportunities – Gaining Ultimate Self Sufficiency – 6 Families

The Uplift team is excited to share that we have helped six families obtain employment this month. We would like to thank our community partners that provide us with various job openings and job leads for our applicants.

Food Pantry – 2,000 pounds of frozen meat distributed

In the spirit of Eid ul Adha, this month Uplift’s Food Pantry distributed more than 2,000 pounds of frozen meat packages to nearly 250 local families. With beautiful animals purchased locally at the OC Fair, the distribution supports families who do not always have access to food assistance programs, or otherwise get to consume high quality meat on a regular basis.

Tutoring Program – We’re back in Full Swing!

Multiplied by two! Our second location added this year at Al Ansar masjid in Anaheim is a huge success. We doubled the locations and quadrupled the attendance in the 2018/19 school year.

We are looking for more volunteer tutors to provide one-on-one tutoring – please contact us directly if you are interested!

Prison Outreach – Detention Center Visit

The Uplift Charity Team supports detained asylum seekers by regularly visiting detention centers. We provide books along with financial and emotional support. Please connect with us if you would like to join a future visit.

Community Connections – Self-Improvement Workshops

Education never ends. In our goal to serve with excellence, we continue to educate and improve ourselves in every way possible. We attended various workshops in order to serve our clients, volunteers and supporters better and we strengthened our partnerships with Giving Children Hope and Asian Americans Advancing Justice in order to join efforts to serve even more families.
