About the Pageant

The Modesto 500 Lions Club is pleased to present the 2nd Annual Miss Stanislaus Spirit Princess Pageant. The goal of the day is to give girls with disabilities an opportunity to be a princess as well as to make new friends, meet other princesses, and to be included in an activity not thought possible.

With the success of the First Pageant, it was decided to open applications to girls with disabilities from ages 13 to 22 as well. It was also decided to move the pageant into Stanislaus County's Disabilities Awareness Month.

Today's activities for the participants included a hair style by a professional hair stylist, application of light make-up, a princess luncheon with local royalty, and a special visit by Princess Belle followed by the pageant. We are hoping these young girls will make lasting friendships with all the participants, enjoy their time together, and have happy memories that will provide smiles for the girls and their families.

It is the Modesto 500 Lions Club goal to continue the pageant and grow each year. We hope to see you back next year and please tell a friend. Thanks to all who have made this pageant possible including our club members, committee, sponsors, advertisers and participants. Thank you also to the Society for disABILITIES for enhancing the quality of lives for people with disabilities in the Central Valley.
