Teddy Bear Time (Ages: 3-5)

This program is for the tot who is older or has out grown Parents & Tots - and ready to be on his/her own. In this class, we will do similar activities as we do in Parents & Tots, but this time, children now show their independence and stay in the class without mommy or daddy along. We will continue to develop listening and social skills through these activities: craft projects; play time; snack time; sing along time and celebrations with special themed parties! **No class 11/23.**

LUNCH & FUN: Look for the "Lunch Bag" next to tot programs that offer 30 minutes of supervised, semi-structured lunchtime, along with your favorite programs before and/or after lunch. Lunch & Fun is ideal for preschoolers who are ready to extend their day - either before or after school or for the children who are eager to enjoy lunchtime with peers. Children will lunch in the same room as their chosen class or be escorted to other classrooms, depending on enrollment. To sign up, simply register for the tot class of your choice with the regular class code, along with a separate program code and fee for lunchtime (except Parents' Time Out). Each child who registers for Lunch & Fun should bring a sack lunch with a beverage to the program; lunch is not provided.
