

JUPITER MUSTANGS TACKLE FOOTBALL

PROUDLY PRESENTS

“Everything You Wanted to Know About Tackle Football but Were Afraid to Ask”

Come join us **April 3, 2018**, for the Jupiter Mustangs open house from **6:00-9:00 p.m. at the Jupiter Community Center located at 200 Military Trail, Jupiter, FL 33458**. The night will feature opportunities to meet the coaches and participate in a town hall forum where you can ask questions directed to our panel of coaches, board members and equipment personnel about the Jupiter Tackle Football and Cheer Program. If your son or daughter is interested in tackle football or cheerleading and you have questions that need answers, don't rely on others, come to the open house and have your questions or concerns addressed directly from the people who operate and make our program one of the best in the Southeast Pop Warner Conference.

“Football is a great deal like life in that it teaches that work, sacrifice, perseverance, competitive drive, selflessness and respect for authority is the price that each and every one of us must pay to achieve any goal that is worthwhile.”

Vince Lombardi

Join us and find out why Vince Lombardi and so many others found football to be a method to strengthen and build the character necessary in all aspects of life, and teach young men and woman about what it takes to be successful.
