

YOUNG ANGELS ASSOCIATION
ANGELS NIGHT OUT – MAY 17, 2018
74 ARDEN PARK, DETROIT
~THE FORMER STANLEY KRESGE ESTATE~

Organization and Event Overview

Angels' Place is a nonprofit organization providing homes and services for people with disabilities since 1992. What started as a vision of five women concerned about the well-being of people with developmental disabilities in their community has turned into the reality of Angels' Place – an organization which has provided essential services to persons with developmental disabilities for 25+ years.

Each of our homes provides more than a roof; they provide a safe, loving environment where the people who live there can reach their full potential.

This year's Angels Night Out will be held at the stately and iconic former Stanley Kresge estate, in the Arden Park Historic District. The evening will be hosted by long-time Angels' Place friend, Paddy Lynch and will consist of food, drinks, casual entertainment and the stunning backdrop of his elegant home, seemingly of a by-gone era. The annual event draws young professionals 21 and over, from the tri-county area. As well as reaching this dynamic population, your sponsorship dollars directly impact the people Angels' Place serves. We invite you into our homes by being one of our sponsors and making a difference in the lives of those with developmental disabilities.
