### Event Overview

**Please join us as we joyfully celebrate 26 years of service!**

**What started as a vision of five moms concerned about the well-being of people with developmental disabilities in their community, has turned into the reality of Angels' Place, a non-profit organization providing homes and services for persons with developmental disabilities since 1992.**

**Each of our homes provide more than a roof; they provide a safe, loving environment where the people who live there can reach their full potential. Angels' Place commitment is CARE FOR LIFE, on average 40 years.**

**Proceeds from our dinner provide the necessary funds to support the operations of each of 20 homes and those we serve in our non-residential programs. 900 people from area businesses, churches and community are expected to attend.**

**88% of your sponsorship dollars directly impact the people we serve. We invite you into our homes by being one of our sponsors and making a difference in the lives of those with developmental disabilities.**

**Angels' Place • 29299 Franklin Road, Suite 2 • Southfield • MI • 48034**
