Dear Member,

Thank you for being a committed member of the Home Builders Association of Southwest Colorado and for renewing your membership for another year. Along with your fellow members, I'm excited that you're on the HBASC team. I know you've made a solid business decision.

Make sure you continue to put your member benefits to work. Some of the most popular include:

- Networking - maintaining contacts, getting to know more of your peers, and putting you and your business in front of others in the industry and the community.
- Saving money - using discounts for your business and your personal life from national companies such as AT&T, Verizon, UPS, GEICO, Office Depot, Marsh and many more.
- Taking advantage of educational opportunities - from learning the latest in estimating and business management to earning a professional designation.

Visit [www.HBASC.com](http://www.HBASC.com) on a regular basis to learn about all of your association's benefits, events, and activities.

We always look forward to seeing you at our membership functions. Your attendance is not only valuable for you, it also allows newer members to meet you and learn how they can get the most out of their HBASC memberships. The larger our number of members, the more we all benefit.

You already know that you get out of your membership what you put into it; so get even more involved. Together, we will make a real difference for your business and for our industry in the year ahead.

For more information, contact us anytime at (970) 382-0082 or [office@hbasc.com](mailto:office@hbasc.com).

Sincerely,

Katie Middleton
