

## **POSITION AVAILABLE - ASSISTANT TRAFFIC/TRANSPORTATION ENGINEER**

W-Trans is seeking an assistant traffic/transportation engineer for either the firm's Santa Rosa or Oakland office. W-Trans provides traffic engineering and transportation planning services throughout the Bay Area and California from offices in Santa Rosa, Oakland and San Jose. We specialize in projects that balance the technical needs and functionality of traffic with the desire to create more complete streets and sustainable transportation systems.

W-Trans is seeking candidates from entry level (BS and MS graduates with internship experience) up to three years of experience in the transportation engineering/planning profession, and who have a desire to further their careers with additional training and support in a fast-paced consulting environment. Work would be conducted under the guidance of registered civil and traffic engineers on a variety of technical analyses, plans, and report documentation tasks.

### **Required Qualifications**

- Bachelors or Masters degree in Civil Engineering, Transportation Engineering/Planning
- Relevant course work in Transportation Engineering/Planning
- Strong aptitude for computer and software applications
- Excellent writing and communication skills
- EIT registration

### **Desired Qualifications**

- Up to three years of experience
- AutoCAD design familiarity
- Familiarity with ArcView GIS
- Experience using SYNCHRO, Vistro, HCS, VISSIM
- Civil/Transportation design and drafting experience
- PE registration (Civil and Traffic)

This is a full time position. We offer excellent and competitive compensation and benefit packages. Salary will be commensurate with the level of experience.
