

SOLIDARITY TEACHER TRAINING COLLEGE, Yambio

We believe that INSTRUCTION is the first step for a free, peaceful and safe Country.

In a country where less than half the children ever attend school and many people are illiterate, it will be an urgent need to come to **provide qualified teachers**. Solidarity has responded by expanding the development of the Yambio campus. The STTC is recognised as a **leading provider of quality primary** teacher training. We are training hundreds of future teachers who will become responsible for the children's instruction in South Sudan.
