

AHA Field Day

Friday, June 9, 2017

Grades 1-3 (9am to 11:45am)
Grades 4-5 (12:45pm to 3:30pm)

The theme for AHA 2017 field day is American Ninja Warrior. Students in grades 1-5 will test their mental and physical skills by completing many challenging obstacle courses. Activities will take place outside and inside the gymnasium.

Students are encouraged to dress as their favorite American Ninja Warrior or create their own. A pair of gloves is strongly recommended. There will be a lot of climbing, swinging, etc. Outdoor gardening gloves would be sufficient.

There will be water activities this day. Therefore, students may want to bring a change of clothing.

Lunch will be served as scheduled. Water and ice pops will be available for students.
