

After School Hebrew/Judaic Studies Class Registration

Dear Abrams parents of graduating 8th graders:

I would like to remind you that Abrams Hebrew Academy is continuing to offer an after school high school level Hebrew and Judaic Studies program for the 2018/19 school year. The 2 hour class is taught by Morah Sonia Arusy and focuses on spoken Hebrew Language and current Jewish topics (holidays, Israel news, etc.).

This program was started by a group of parents as an after-school Hebrew/Judaic Studies activity and has been very successful. The students enjoy practicing their Hebrew, discussing Jewish holidays and current events, and keeping in touch with each other post-Abrams.

Class is held once a week in the evening at Abrams. This year the class was held on Wednesdays at 7:00 PM. The schedule may change next year depending on the students' high school schedule. The 2018-19 classes will begin after the holidays during the first week of October and will last until the end of May. The final day and time will be determined at the end of the summer once the high school schedules are published. There are approximately 40 meetings in total.

The affordable tuition defrays the cost of the teacher's salary, and financial assistance is available from Abrams to any interested student who wants to attend. Tuition for the year -TBA. If you and your future 9th grader are interested in participating in this program please send this form with a refundable \$50 registration commitment fee to the school office before June 15.

Best,

Rabbi Ira Budow
