

Division Director and Fellowship Director of Maternal-Fetal Medicine,  
Department of Obstetrics and Gynecology, Beth Israel Deaconess Medical  
Center, Harvard Medical School

The Department of Obstetrics and Gynecology at Beth Israel Deaconess Medical Center, Harvard Medical School, Boston, MA is accepting applications for Division Director and Fellowship Director of Maternal-Fetal Medicine. Responsibilities include leading the health care delivery in our network system of care in both our tertiary care center and affiliated community hospitals; role modeling and creating a safe culture of learning for trainees; caring with excellence and compassion for complex obstetrics patients; leading our program in prenatal diagnosis; partnering with our generalists in obstetrics; and exemplifying a spirit of inquiry and scholarship in the Division.

**Required Qualifications:**

- Associate Professor level appointment required
- Excellent clinical skills including prenatal diagnosis and critical care
- Excellent skills in patient management and leadership of the healthcare team
- Strong oral and written communication skills
- Demonstrated leadership skills
- Demonstrated teaching skills
- Demonstrated team behavior

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law. We strongly encourage both women and minorities to apply.

For consideration please contact Riki MacKillop, Administrative Manager, Department of Obstetrics & Gynecology, BIDMC at [rmackill@bidmc.harvard.edu](mailto:rmackill@bidmc.harvard.edu)
