Stony Brook Medicine

Fellowship Program Director

Long Island's premier academic medical center, Stony Brook Medicine represents Stony Brook University's entire medical enterprise and integrates all of Stony Brook's health-related initiatives: education, research and patient care. It encompasses Stony Brook University Hospital, Stony Brook Children's Hospital, the five Health Sciences schools — Dental Medicine, Health Technology and Management, Medicine, Nursing and Social Welfare — as well as the major centers and institutes, programs and more than 50 community-based healthcare settings throughout Suffolk County. With 603 beds, Stony Brook University Hospital serves as Suffolk County's only tertiary care center and Regional Trauma Center. Stony Brook Children's, with more than 160 pediatric specialists, offers the most advanced pediatric specialty care in the region.

**Descriptive Title:** Fellowship Program Director

**REF#:** F-9791-17-07

**Budget Title:** Associate Professor/Professor

**Faculty Position**

**Department:** Medicine/Rheumatology, Allergy & Immunology

**Campus:** Stony Brook West Campus/HSC

**Salary:** Commensurate with Experience

**Required Qualifications:** MD or equivalent. Board Certified in Internal Medicine. Board Certified in Rheumatology. Must have 5 years of clinical care experience in an academic setting with leadership experience managing a Rheumatology fellowship program or residency training program.

**Preferred Qualifications:** Interested in clinical research.

**Responsibilities & Requirements:** Seeking a full-time Rheumatologist (Associate Professor/Professor) who will be responsible for patient care (inpatient and outpatient), as well as teaching medical students, residents and fellows. The incumbent will also serve as the Fellowship Program Director, for our two-year accredited clinical program that has existed since the 1980s. Two fellows are recruited each year from a national pool of applicants and they provide both inpatient and outpatient clinical services at Stony Brook University Medical Center and the VA medical center in Northport. The Program Director will oversee the Rheumatology
fellowship training program by implementing ACGME and institutional policies and directing educational training programs including lecture series, didactic teaching for ambulatory care and consultative service and rotations to other departments within SBUH. The director will also foster clinical, translational and basic research projects and independent studies for the trainees. To qualify for an appointment as an Associate Professor, the candidate must meet the School of Medicine’s criteria for Appointments, Promotion and Tenure located at: https://medicine.stonybrookmedicine.edu/facultysenate/committees/apt.

Special Notes: This is a non-tenure track position. FLSA Exempt position, not eligible for the overtime provisions of the FLSA. Internal and external search to occur simultaneously.

Anticipated Start Date: As soon as possible.

Pursuant to Executive Order 161, no State entity, as defined by the Executive Order, is permitted to ask, or mandate, in any form, that an applicant for employment provide his or her current compensation, or any prior compensation history, until such time as the applicant is extended a conditional offer of employment with compensation. If such information has been requested from you before such time, please contact the Governor's Office of Employee Relations at (518) 474-6988 or via email at info@goer.ny.gov.

Stony Brook University is 100% tobacco-free as of January 1, 2016. See our policy and learn more at stonybrook.edu/tobaccofree.

The selected candidate must successfully clear a background investigation.

Application Procedure: Those interested in this position should submit a State Employment Application, cover letter and resume/CV to:
