Professor of Pediatrics  
Chief for the Division of Cardiology and Co-Executive of The Heart Institute CHLA  
Department of Pediatrics Children’s Hospital Los Angeles (CHLA)

The University of Southern California (USC), founded in 1880, is the largest private employer in the City of Los Angeles. As an employee of USC, you will be a part of a world-class research university and a member of the "Trojan Family," which is comprised of the faculty, students and staff that make the university what it is.

Children’s Hospital Los Angeles (CHLA), in partnership with University of Southern California (USC) and the Keck School of Medicine of USC (KSOM), seeks to recruit a Chief for its Division of Cardiology and Co-Executive Director of The Heart Institute. We seek a visionary leader to further develop a successful clinical, research and academic program that serves a large and diverse patient population in our world-class children’s hospital. The Division Chief provides leadership for the Division, overseeing clinical care delivery and quality, budget and financial performance, strategic planning, recruitment and program development, and ensuring the integration of training and research programs with clinical services throughout the hospital. The Chief will also lead the Division’s support of the departmental academic goals in research, education and faculty recruitment and development and join the Department of Pediatrics Leadership team.

The successful candidate will have strong academic, clinical, and leadership/management experience in either a research-oriented children’s hospital or an academic pediatric department affiliated with a university medical school, with a minimum of 10 years of progressive medical and research experience and an increasing scope of responsibility including faculty and trainee mentoring and program development. The candidate will have a track record of scholarly accomplishment, ideally with extramural funding.

The candidate must have an MD, DO or MD/PhD degree, must have completed at least three years of post-doctoral or clinical fellowship training, and must be board-certified by the American Board of Pediatrics and board-certified in Pediatric Cardiology. The candidate should have clinical as well as research experience in a pediatric setting and qualify for appointment as Associate Professor or Full Professor at KSOM.

Apply here and please direct inquiries, nominations, and applications, including resume and a letter of interest, in confidence to:
