

CHAIR
Department of Obstetrics and Gynecology
University of South Alabama

The University of South Alabama (USA) College of Medicine seeks applications and nominations for the position of Chair, Department of Obstetrics and Gynecology. The successful applicant will oversee and provide leadership for all academic and clinical activities of the department and will work collaboratively with other clinical disciplines to help advance the USA Health Care System. In-patient services are provided at the freestanding USA Children's and Women's Hospital. The current facility has 15 LDR beds, a dedicated 38 bed high risk antepartum unit, and a 34 bed post-partum unit. There is also a 90 bed Level III NICU.

Candidates should have a national reputation for excellence in scholarship, teaching and clinical service. Other requirements are proven leadership skills in an academic environment, board certification in Obstetrics and Gynecology, and eligibility for medical licensure in Alabama. This is an outstanding opportunity to join a congenial, diverse, expanding department committed to providing its faculty with the opportunity to achieve academic and professional growth while enjoying the climate, affordability, and high quality of life of the central Gulf Coast.

Nominations of potential candidates should be referred to the Chair of the Search Committee, Dr. David Gremse, Chair and Professor of Pediatrics, at dgremse@health.southalabama.edu.
