

BCCHS Curriculum Night 2018
5:00-7:40 pm

September 26, 2018

Curriculum Night is an opportunity for families to hear directly from their children’s teachers and service providers about curriculum, instructional goals, routines, expectations, and more.

Curriculum Night will be structured as follows:

- Parents/Guardians will follow a ‘mock’ schedule of the day, traveling from class to class for one hour to hear from each teacher. At the end of each time block, we will make an announcement on the PA to switch rooms.
- Each teacher will give a 15 minute overview of their class in their classroom to each section they teach (main subject areas only.)
- Spanish, PE, Art will be available on a drop in basis in rooms:
 - 513: Spanish/ESL
 - 510: Art
 - Gym (1st floor): PE
- Our college counselors will be presenting to 12th grade families in the cafeteria, according to the schedule below.
- Families can drop in during time frames listed below, in the gym, to learn about how to log in to PupilPath and the nyc schools account.

Please familiarize yourself with what courses your child is taking this year. You will travel by their class section! This is important to keep class sizes manageable, and also students take different math and science courses in many grades.

See scheduled times for each grade below:

5:00- 6:00 pm: PTA meeting, cafeteria

6:00 -7:40 pm Teacher presentations: see grid below

9th grade - families will travel by math section

Time	Math - Algebra 901 Schedule	Math - Geometry 903 Schedule
6:00-6:20 pm	Math, Brooke Feld, room 406	Science, Wael Mansour, room 407
6:20-6:40 pm	English Carolyn Castagna & Vanna Marmo, room 405	History, Lara Hovsepian room 410
6:40-7:00 pm	Science, Wael Mansour,, room 407	Math, Brooke Feld, room 406
7:00-7:20 pm	History, Lara Hovsepian & Vanna Marmo, room 410	English Carolyn Castagna room 405

7:20-7:40	<i>Pupil Path, schools nyc, flex info session: cafeteria - Janice & Doug Related Service providers/Spanish/PE: drop in</i>
-----------	--

9th grade 902 & 904
