

Help Plan the Future of Parks in Southwest Minneapolis!

Join Us During Design Week Nov. 13-16!

Community Advisory Committee Meeting #5

Tuesday, November 13th
6:00 - 8:00 pm
Whittier Recreation Center
425 W 26th St, Minneapolis

Come to discuss and review ideas in small groups. This event is open to everyone.

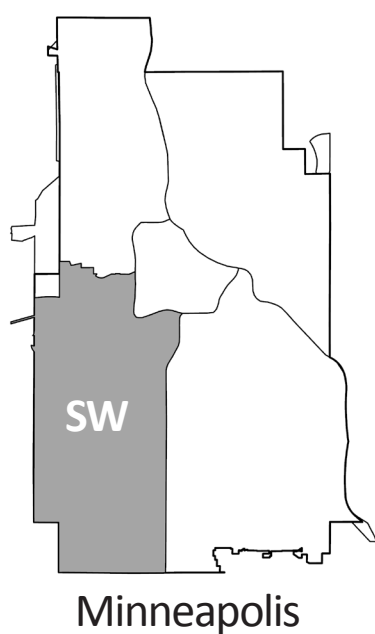

Food and children's activities will be provided.

Public Open Studio

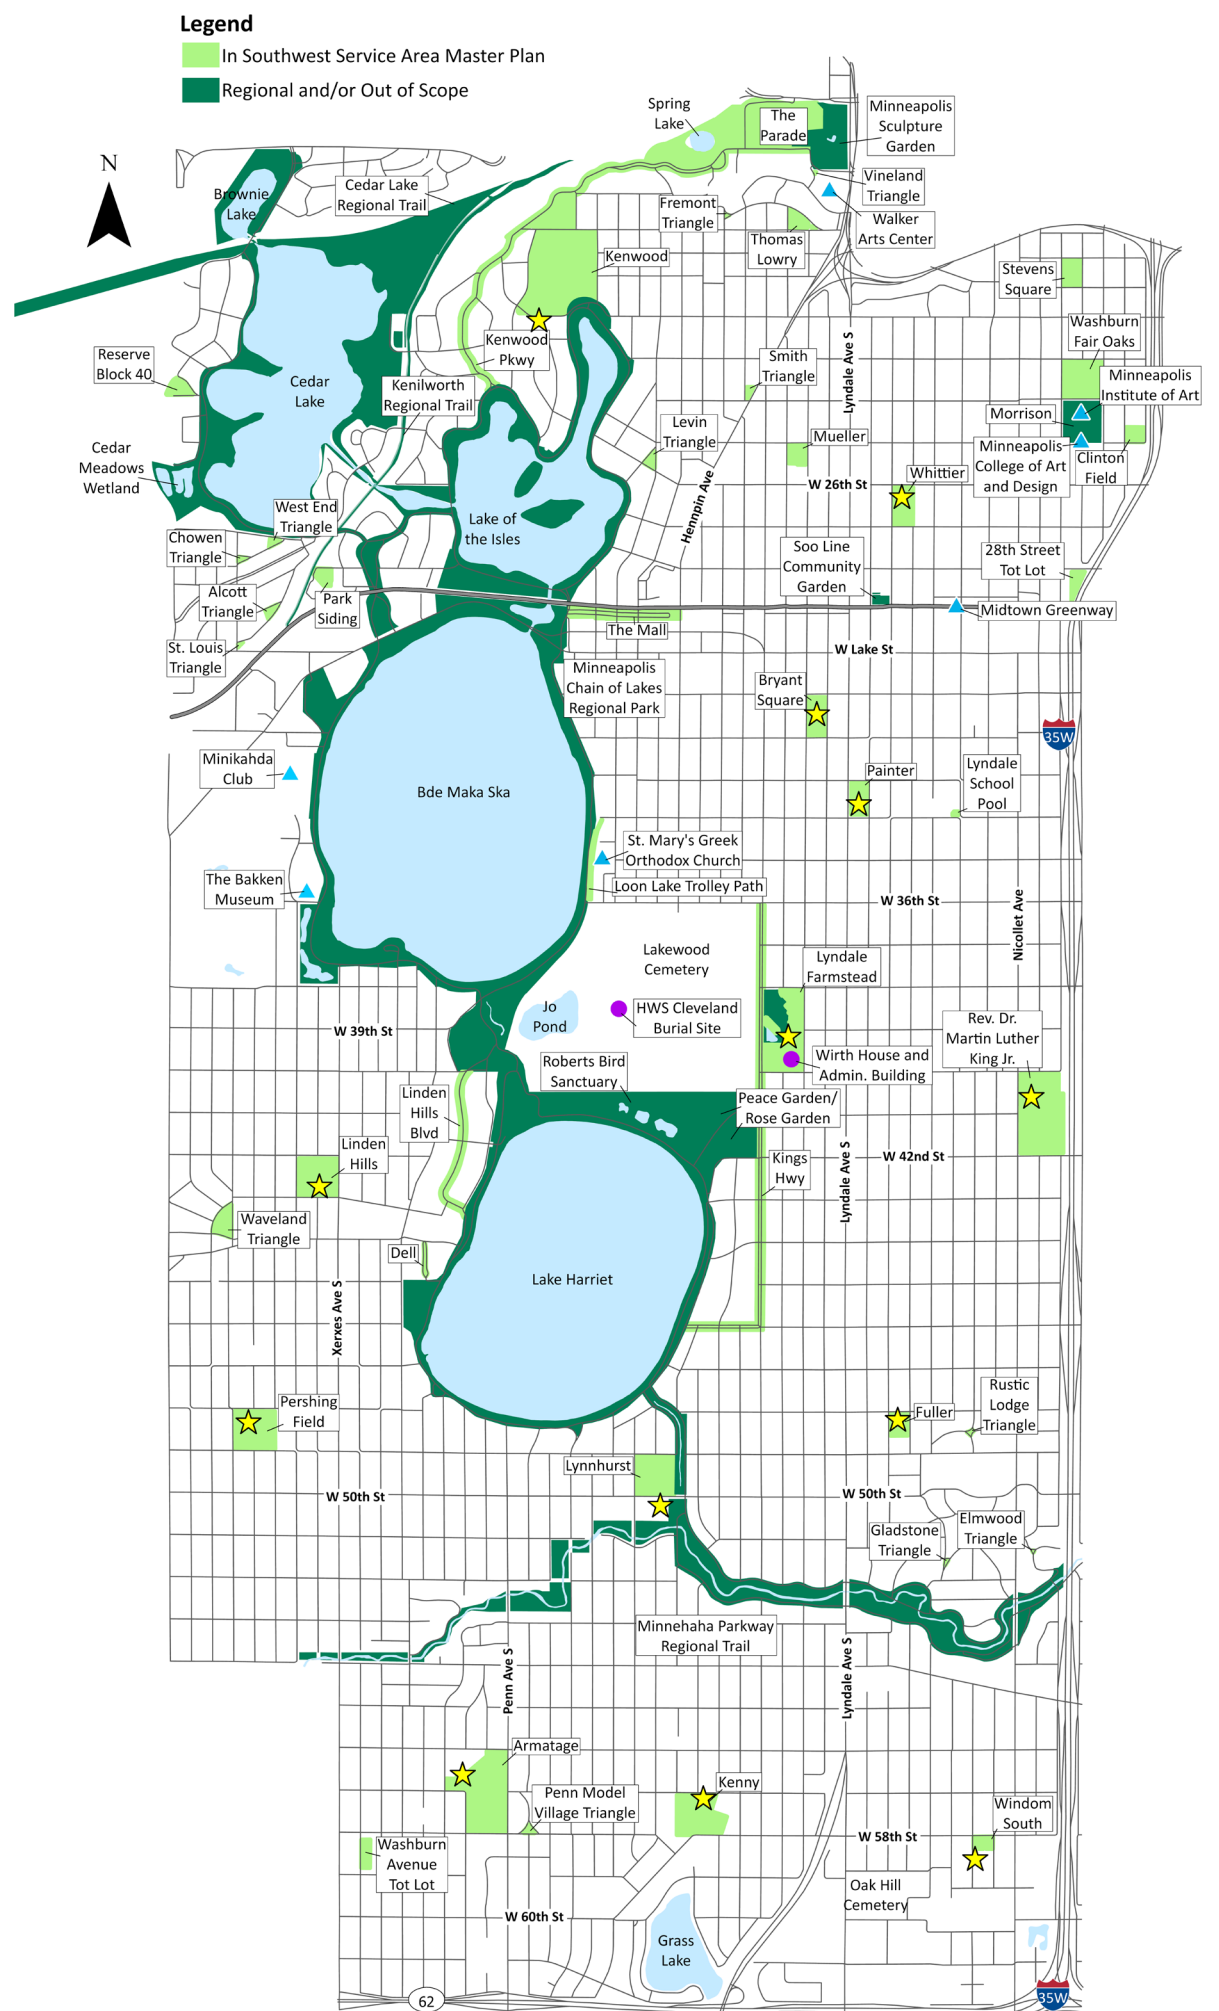

Thursday, November 15th
6:00 - 8:00 pm
MPRB Headquarters
2117 West River Rd, Minneapolis

The design team will throw open the studio doors so you can review draft design ideas, offer additional ideas, input, and feedback as part of the design process.

Food and children's activities will be provided.

Minneapolis

Southwest Service Area Master Plan:

- This project (SWsamp) will involve the community in creating new plans for all neighborhood parks south of I-394 and west of I-35W
- It will set a vision for improvements over the next 20-30 years
- It will guide how construction funds are spent in the parks on:
 - New facilities
 - Reconstructing facilities
 - Rehabilitation
