

Admissions and Family Engagement Center 2016-2017 Schedule

Foxborough Regional Charter School is proud to introduce our new Admissions and Family Engagement Center located at 149 Central Street! (The Center is accessed across from the Central Office on the Main Campus.) Family engagement is a vital part of the FRCS culture. Without your support, our students would not succeed in the ways that they do.

The Center is designed to provide a space for families to learn about and contribute to FRCS educational programs. We will be hosting programs before, during and after the school day to make it easier for you to support and become involved in your student's education, and to provide opportunities for you to learn about the school.

Below are a few of the programs we've scheduled to welcome the community to our new space. We hope you'll join us in the Center for one or all of them! Please watch as we update our calendar throughout the year. We challenge ALL community members to commit to 2 power hours of volunteerism a year! Sign up on our [website](#)!
