Dear Sacred Heart Families,

Sacred Heart plans to teach our students the acclaimed Child Lures/Think First/Be Safe School Program. This personal safety program is currently used in over 1000 school systems nationwide and is part of the curriculum recommended by the Archdiocese of Detroit. It has been featured on national television shows, including Oprah, NBC Today Show, CNN and 48 Hours.

The Program improves self-reliance, raises self-esteem and helps students master personal safety skills- all while reassuring them that most people are kind, safe and committed to their well-being. Students learn to identify specific lures used in crimes against youngsters and how to employ proven prevention strategies. The Program also teaches Internet Safety, Drug Resistance, and School Violence Prevention.

I can assure you the material covered is age appropriate and reflects our Catholic beliefs. If you have any questions, or would like to review the materials please contact your child's homeroom teacher before March 6th. After that date, teachers will begin their Think First Be Safe instruction with students. If for any reason you do not wish for your child to participate in this program. Please return the bottom portion of this letter before March 6, 2018.

God's Blessings,

Mr. Gary Yee, Principal
