## **Picture Day is Saturday, March 25th**

### **\*Please see attached schedule for your team's picture time\***

1. Please give one picture day order form to each parent before picture day so that your parents can look over the order form and make their choices in advance. This will speed up the process. You can also tell your parents to go to [www.sportsprosexpress.com](http://www.sportsprosexpress.com) to see all of the product choices and to download our picture day order form!
2. A completed order form and payment are due before your team's pictures are taken. We cannot take a picture without a completed picture form (and payment.)
3. Please see the attached picture day schedule for your team's picture time. Be sure to inform your parents of your team's **CHECK- IN TIME**. This will ensure that pictures will go smoothly!
4. **COACHES: Please check in your team with the Sports Pros representative at the picture day display tent as soon as you arrive.**

*Note: There will be an employee checking in all teams at the picture day display.*

5. Please remind your parents to get there early to see the full picture display table with all of the products offered this season, and so they can complete their order forms before their child's picture is taken.

Thanks, and we'll see you on picture day!
