

LWVIL Moderator Training -- *continued*

According to Gayle Klam LWV Jackson County, "Even if one has done moderating in the past, it helps to go over things and fill in the cracks. It helps to know what works and what may not.

Thanks again for taking the time and effort to come all the way down south. Please know we appreciated it. New members, I believe, will now be less reluctant to try their hand at putting together candidate meetings."

LWVIL thanks Sarah Heyer, Gayle Klam and Laura Van Abbema, President of the LWV of Jackson for making all the arrangements that helped make the training a success.

Since April 2017, approximately 65 new and existing members participated in Moderator training. If leagues in your area are interested in Moderator Training, please contact Jan dorner and Sharon Alter at voterservice@levil.org.
