

Community Impact Award Nomination: 2017

The League of Women Voters of Illinois will give its *Community Impact* Award at its 2017 State Convention. This award recognizes a significant impact made by a League in its community through educating citizens, advocating action, or facilitating public discussion on an important public issue. Nominations for this award should demonstrate what was accomplished and how their community benefited from the activity. The activity should have taken place since the last convention in 2015.

Please submit your nomination on the form below. You may send it by e-mail, but be sure to include the local League making the nomination and a contact name. Include a brief statement on why your nomination merits the award. You may enclose newspaper clippings or other significant material.

The LWVIL Board of Directors approves the final selection. **Nominations must be in the League office by April 1, 2017. The award will be given at the convention in June 2017.**
