Perfect Pairings

Bark << Dymo

Use tile in unconventional ways, two or three colors of wood look planks together to create a dramatic look that will make your modern makeover one-of-a-kind.

For something unexpected, mix two or three colors of wood look planks together to create a dramatic look that will make your modern makeover one-of-a-kind.

One of the most popular trends for floors and walls involves a play on pattern. Incorporate herringbone instalations, contrasting grout colors, or texture for ultimate tile style.
