

Imagine Science Saturdays

A place where 4th – 8th grade students can become engineers and scientists with 4-H!

This fall, Douglas-Sarpy 4-H is launching Imagine Science Saturdays. See what it is like to be mechanical, architectural, chemical, and aerospace engineers.

When: September 1st, September 22nd, October 20th, November 10th, and December 1st

Time: There will be 2 sessions offered per day, but you only need to attend one.

Where: Nebraska Extension Douglas-Sarpy Counties
8015 W. Center Road, Omaha, NE 68124

No Cost

For grades 4th – 8th

Note: You do not have to be enrolled in 4-H to participate.

Jump into the world of scientists and engineers by attending our Science Saturdays! While completing challenges, students will learn to take on roles and responsibilities in order succeed.

Prizes will be rewarded at the end of the 5 Saturdays. If a student attends all 5 Science Saturdays they will receive: a certificate of completion, free enrollment into 4-H, a 4-H t-shirt, and an engineering game. If 4 sessions are attended the student will receive: a certificate, a 4-H t-shirt, and free enrollment. If only 1-3 sessions are attended the student will receive: a certificate of completion.

Imagine Science Saturdays Return Registration by August 29th, 2018
