For more information on the headlines below and all other aspects of coordinating a meeting or event in Newport, contact our **Destination Experts** and utilize their free planning expertise. Meetings, conventions, events, or team-building activities - no group is too small to take advantage of our knowledge and first-hand experience regarding Newport's hotels, offsite venues, activities and arranging site inspections. Let the Destination Experts do the work for you.

After recently completing a renovation of the sleeping rooms and public space in 2016, **The Newport Marriott** will finish the project with renovations to the meeting space this winter. 20,000 square feet of new meeting space, including the 7,600 sq ft ballroom and 6 new breakout rooms, all offering state-of-the-art technology, will put the finishing touches on the hotel's transformation.

Gurney's Newport Resort and Marina is purchasing the Hyatt Regency this winter with many renovations and projects slated to be completed by the spring including a new 22-slip marina. Gurney's will be expanding on the success this property has experienced with a revamp of the outside dining - Pineapples, the addition of a Scarpetta Restaurant, and some meeting space and lobby renovations. More to come as this exciting transaction is finalized.

A new museum to the Newport area, **The Newport Car Museum**, will be opening the summer of 2017. It will feature a 40,000 square foot car collection, a modern design experience, and function space for private events up to 500 people with free parking. Cocktails and Corvettes anyone!

CAMBRIA
hotels & suites®

Cambria Suites will be opening a 141 room hotel with meeting and function space in Middletown, RI this spring. Approximately 1 mile from downtown Newport, the property will offer views of the Atlantic Ocean and Easton's pond. With the included amenities, this property offers a perfect blend of business and leisure.
