[Sponsorships and Exhibiting Available](#)

## Innovation | Collaboration | Inspiration

ACEC Colorado Engineering Excellence Awards (EEA) program annually recognizes consulting engineering firms for projects that demonstrate an exceptional degree of innovation, complexity, achievement and value. For 50 years, Colorado firms have entered their most innovative projects and studies into this competition. The ACEC Colorado EEA program generally follows entry guidelines established for the ACEC National EEA program; however, ACEC Colorado rules are different. [Click here](#) for the official rules.
