

**RE: Attorney Robert Graham and his business partner the Honorable Charles Hoskin**

**Mr. Sanson,**

**I admire your willingness to fight the injustices among the Clark County Family Courts. I am privy to information regarding presiding Judge, Charles Hoskin. This information will be suppressed by cowardly media, which is why I come to you with this. Not only was Charles Hoskin involved with Hearing Master Jon Norheim relating to the "pay for play" scheme that occurred in Guardianship Court with April Parks and 3 other Defendants, but there is a more insidious situation that was covered up.**

**If you look on the NV Secretary State's website it will show, Charles Hoskin is a business partner with Robert Graham of Westcliff Partners LLC (NV Business ID # NV19951001459.) A business license that does not expire until 2025.**

**Mr. Graham is an attorney currently incarcerated and accused of bilking \$17.2 million from various clients with guardianship cases. This money (according to Graham's attorney) has "disappeared".**

**I have no doubt that you will be able to make the connection from here between Graham, the "missing" money and his business partner Charles Hoskin. Good luck in your endeavor in further exposing the truth and blowing a gaping hole in the Clark County Family Court corruption and thank you for being a true champion of justice.**

**Semper Fi,**
