**We provide members a supportive,  
positive learning environment  
sharpening their communication  
and leadership skills, resulting in  
greater self-confidence that may  
lead to professional advancement.**

Build on your leadership confidence by visiting Westshore Toastmasters!

Step outside your comfort zone by overcoming your fear of speaking to a group of people. Comfortable doing presentations? Then practice and polish your current speaking skills or increase your confidence as a leader. Take charge of your professional development by visiting Westshore Toastmasters!

We are a local, open club of Toastmasters International, the world leader in communication and leadership development.

Westshore Toastmasters invites you to try out a weekly meeting that provides guests and members an engaging, supportive and positive learning environment, allowing members to hone their skills in:

- Presentation confidence
- Interpersonal communications
- Meeting management and leadership
- Strategic leadership
- "On the spot," impromptu speaking
- Sharpening active-listening skills
- Outside-the-box, critical thinking
- Constructive, positive evaluation
