A Message from DG Michelle Crocker

Hello Maine Lions,

Tick ... Tock, Tick ... Tock! Yes, you guessed it. Time is ticking by. This weekend time will spring forward an hour, launching us one hour closer to Spring! Maine Lions, it's time to **Spring into action**.

In just six weeks our District Convention will be here. Maine Lions will celebrate the success of the last 100 years of Service. The convention committee is working hard to make this year's Centennial Celebration extra special for all Maine Lions, Lioness and Leos. Special entertainment for Friday evening will lead us in to a Saturday filled with seminars, speak-out, cabinet meeting and a fabulous International Banquet with our special guest ID Bob and Lion Michelle Libin. A spectacular celebration display will follow the banquet. Sunday morning will begin with a touching necrology service for Lions, Lioness and Leos. A tribute to the legacy of service that lives on in the lives those touched by their service. Then once again, seminars to help us serve our communities will begin followed by our District voting at 11:00. Don't miss out on a wonderful luncheon welcoming in our newly elected District Officers who will take us through the First Year of our Second Century. What an amazing time to be a Lion!

President's Message

Dear Lions,

For 100 years, Lions have served. Each and every Lion matters because they make their communities a better place for all. In celebration of our century of humanitarian service, we're working to serve more people than ever before. To do this, we need more caring people like you who want to make to make a real difference in the lives of others.

Did you know that every Lions club member serves an average of 70 people per year? That's why inviting your family and friends to join us in service is one of the most powerful ways we can serve more people and address unmet needs at home and around the world.

Plus, inviting new members and sponsoring new clubs is more rewarding than ever before. You and your club are eligible for special limited-edition Centennial rewards, including a pin and certificate, when you induct new members and sponsor new clubs.

If you haven't welcomed a new member into your club this year, make it a priority to do so before the end of the Lion year. Thank you for working to expand the service impact of your club and Lions Clubs International!

Very truly yours,
Chancellor Bob Corlew
Your International President

Earn Your Limited Centennial Membership Awards

Inviting new members is the easiest way to earn Centennial Membership Awards. Encourage your Lions to invite at least one new member before our Centennial Convention in July. Not only will they earn their Centennial Sponsor pin and certificate, they'll also help meet emerging needs in your community AND put your club on track for its own Centennial recognition. Visit the [Centennial Membership Awards page](#) today for more information!

Protect the Environment in Your Community

Invite your friends and neighbors to help you protect the environment in your community during the Worldwide Week of Service to Protect Our Planet this April 17-23. Clean up a park or beach, plant trees in your community or start a recycling program. No matter how you choose to serve, this international event is a great opportunity to showcase your club's activities to your community. Visit the [Worldwide Week of Service webpage](#) today and start planning your project!

The Eyeglass and Hearing Aid Program is now under the umbrella of Maine Lions Sight and Hearing Foundation.

The Vision Screening Program is also under the same umbrella. Come and hear what our clubs are doing across the state and how your club can participate.

A big THANK YOU goes to the following clubs and individuals/businesses that have donated to White Cane Days- remember White Cane Day Money now DIRECTLY benefits the citizens of Maine:

Bridgton and Harrison (combined effort)

Sanford Lions Club
Freeport Lion/Lioness Club

Many of these clubs have upped their donations this year bringing the total of these donations over \$4,000 dollars! Has YOUR Club made a donation yet? Donations are always welcome! And the money stays right here in Maine! Contact Lion Cliff Roderick, PDG for information and for supplies.
Come join us on the 22nd!

ATTENTION VISION SCREENERS!

So far this Lions year you have done an awesome job and screened just short of 6000 children. There are some clubs we have not heard from yet. Please share your success so we can all celebrate the great work Lions are doing in preserving sight for Maine Children!

Below is a template of the information we to keep track of your success. If you are having trouble finding your numbers, you can send the "SpotResults" files from your SPOT, and we will retrieve the numbers for you.

Name of School/Facility	Date of Screening	# Screened 6M-8M	Referrals 6M-8M	# Screened 8M-6Y	Referrals 8M-6Y	# Screened 6Y-25Y	Referrals 6Y-25Y

If you have not cleared off the old class lists from your SPOT device, now is a good time to do it so you don't have storage problems.

Many clubs are preloading the names into SPOT using a spreadsheet (often supplied by the school nurses).

If you need help or written instructions on reporting, clearing, or preloading SPOT, contact Lion June Johnson at 787-3145 (h) or 838-9979 (c) or email sebagojune@yahoo.com.

Watch for more information in the April Newsletter on the upcoming Vision Screening Seminar at the District Convention!

MEMBERSHIP CONTEST

MONTH TWO STANDINGS!

Remember the membership contest? Two Club Membership Chairs will receive free registration, four meals and fun! A prize worth \$112.50 each! With the December 31, 2016, base figures from LCI as the starting line, there will be two prizes awarded. One goes to the club membership chair for the club with the largest raw number growth between 1.1.2017, and March 31, 2017. The second prize winning club membership chair is for the club that has the highest percentage increase in membership during these same three months. In the event one club wins both categories, a second place finisher will get the prize.

The standings show the winter doldrums, like the winter itself, are releasing. The majority of clubs still have a flat report –no adds and no drops. But there are clubs that have seen growth, and 13 that have net drops these past two months. Unfortunately, 8 clubs had 1 drop, and 4 are a minus 2 for these two months.

But to better news: fourteen of you had increases in membership for these two months. The “plus 1” clubs were as follows:

Zone 1: Kittery
Zone 2: Acton/Shapleigh
Zone 5: Gray/New Gloucester
Zone 6: Raymond
Zone 9: Phillips/Strong
Zone 10: Boothbay Region, Waldoboro
Zone 11: Camden

The “plus 2” clubs so far are:

Zone 13: Monmouth
Zone 14: Albion
Zone 15: Mount Desert Island

A “plus 3” club as of the end of February:

Zone 2: Limerick/Newfield

The “plus 5” club is:

Zone 3: Scarborough! Way to go!!!

And our continuing raw number growth leader with a “plus 6”:

Zone 7: Denmark, with another two new Lions this past month. Hip Hip Hurray!

The percentage increases of course help smaller clubs win this prize! And the numbers are as follows:

Kittery at 1.6%	Acton/Shapleigh at 5.5%
Boothbay Region at 2.7%	Albion at 6.5%
Camden at 2.9%	Phillips/Strong at 7.7%
Waldoboro at 3.8%	Raymond at 8.3%
Mount Desert Island at 4.9%	Monmouth at 9.5%
Gray/New Gloucester at 5.3%	Limerick/Newfield at 17.6%

Last month's % leader Denmark at 20.7%
The new current Leader: Scarborough at 20.8%!!

Those three % leaders are nip'n'tuck!

But other clubs are seeking to challenge them. The DGE team helped Mexico, a small club of 18 last week, and they developed a local potential Lions list of 92! If they develop 5 members this month they will have a 30% growth. That could challenge our current leaders. But anyone still has a shot at these prizes ... **CAN YOU CATCH THEM?**

CLUB NEWS

Mexico Lions Recruitment Meeting

On February 28th nine members of the Mexico Lions Club met with DG Michelle Crocker, PDG John Youney GMT, PDG Carolyn Gile GLT, 2VDG Neil Iverson, Sally Iverson, ZC Tia Knapp & PVDG Al Godfrey to discuss recruitment ideas. The club is down to 18 members and was unable to conduct their major fund raiser this year due to shortage of manpower. President Roland Patenaude requested assistance from the District through ZC Tia Knapp to help them solve their dilemma. PDG John conducted his thought provoking recruitment process breaking down the members into 3 groups and assigning 2 of the visiting team to each group. Each group was asked to write down any person in the area that they thought would be a great Lion and after 11 minutes

the groups were reassembled and asked to tell the names and they were placed on flip chart sheets. Over 90 names came forth with 11 appearing more than once. PDG John then told the club that these are the first tier to be approached and advised them how to pair up to go out to ask these folks to join. Global Membership Team Chair PDG John is requesting that any club having difficulties with getting new members to contact him and a team will be sent in to put on a program like the Mexico program.

JAY – LIVERMORE FALLS LIONS CLUB

At the February 21st meeting of the Jay-Livermore Falls Lions Club a check in the amount of \$300 was presented to Nichole Ernest, Area United Way Resource Coordinator as the Club's annual donation to the program.

At that same meeting Past Vice District Governor Lion Al Godfrey was honored for 50 years of Lions Service. Legislative Representative Christine Riley of Jay presented Lion Al with an official expression of sentiment on behalf of the 128th Legislature and the people of the State of Maine for his exemplary service. The Club also presented the honored guest with a plaque thanking him for the 50 years of service. Lion Al was inducted into the Winthrop Lions Club on January 11, 1967 and served there until he transferred to the Jay-L.F. Club in September 2013. He will be at the Home and Living Show at the Spruce Mountain High School Dome on April 29-30 greeting everyone so stop by at his Club Booth and consider joining this organization dedicated to serving those less fortunate than ourselves.

FALMOUTH LIONS CLUB

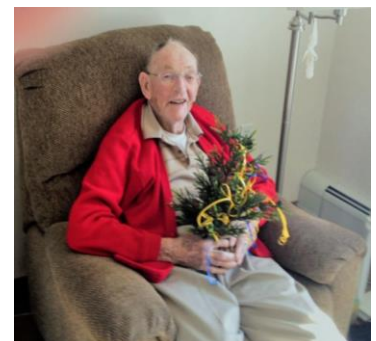

At our February 23 meeting three Falmouth High School students were in attendance to participate in our annual Speak Out competition and did a great job. Hannah Michaud (left), Sophie Baker (center) and Caitlyn Bull (right) spoke well and in a close contest Caitlyn was voted to represent us in the regional competition.

UNBELIEVABLE!!!

On February 22 Lion Dick Winchenback celebrated his 90th birthday at his home at Freeport Place! A Falmouth Lion since 1957!!

Because of a bad cold Dick was not able to attend the regular Lions meeting the next evening where the club was planning on presenting him with a “Money Tree” with funds donated by fellow Lions. But thanks to Lion Donna’s quick thinking he did not miss out as she and Lion Tony headed up there and spent an hour visiting with “The Tree”.

Dick says he doesn’t know what he would do without Lions and we sure feel Lions would not be the same without Dick!

BRISTOL AREA LIONS CLUB

Speak Out contest

L to R: Nathan McIvor and Hannah Davis, Lion David Kolodin, speak out coordinator, Liam Cullina and Anne Jensdatter. (Photo courtesy Tom Rodrigues)

The Bristol Area Lions held their annual Speak Out contest on March 6 at the Fellowship Hall of the New Harbor Methodist Church. The church had decorated the tables with a St. Patrick's Day theme with green tablecloths and decorative center pieces. A delicious dinner of veggie lasagna, tossed salad and garlic bread was served by caterer, Debbie Thibault of Deb's Bristol Diner. The speakers, parents and guests were sponsored by club members.

After dinner, the four Lincoln Academy students spoke on an issue they felt strongly about in a talk from four to six minutes long, with penalties for going over or under the allotted time. The speech must be organized, logical, and presented with few or no notes. At the conclusion of each speech, they were each asked two questions worded in such a way that required some reasoning or application of knowledge of the subject by Lions Tom Rodrigues and Brendan Donegan.

First prize was awarded to Liam Cullina, a sophomore, whose topic was "The need to get rid of the penny". Second place was awarded to Anne Jensdatter, a sophomore from Copenhagen, Denmark, whose topic was "Pursuing the American dream." Third place ended up being a tie between Hannah Davis and Nathan McIvor. Davis, a junior spoke on "Why we need feminism" and McIvor, a senior addressed "The decline of reading in the video era."

The performances of the speakers in several different categories were judged by Lions Michael Hope, Bill Byrnes and Pastor Kelly Harvell of the New Harbor church, an honorary Lion for this event. The Speak Out timekeeper was Lion Walt Johansson. The winner of the contest, Liam Cullina will now compete with winners from other Lions clubs at the regional level at Lincoln Academy. The winner of that event will compete at the State Speak Out at the Black Bear Inn and Conference Center in Orono on April 30 as part of the Lions annual state convention.

The next meeting of the Bristol Area Lions on March 20, will take place at Deb's Diner in Bristol Mills. The meal will be corned beef & cabbage, with a salad, rolls and dessert and coffee. The speaker will be Matthew Goetting, Associate Head for External Affairs at Lincoln Academy whose topic is "Preparing students for a career in technology."

To make dinner reservations for that meeting, call John Janell at 563-7402. To learn more about the Bristol Area Lions serving Bristol and South Bristol, contact Walt Johansson at 677-2584, go to bristolarealionsclub.org, or like the club on Facebook.

STRATTON-EUSTIS LIONS CLUB

Lions Support Food Pantry

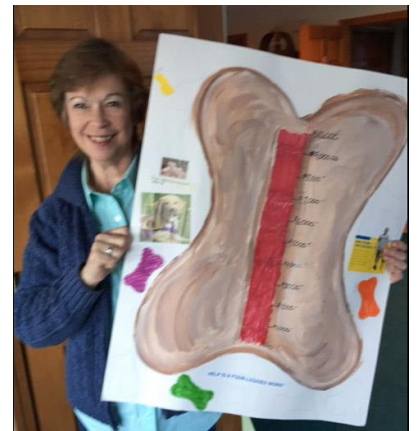

The Stratton-Eustis Lions Club raised \$704.00 and collected over 600 food items for the Stratton Food Pantry during the town's Polar Blast weekend.

Pictured are Food Pantry Directors Lynn and Gregg Pease, former Pantry Director John Caldwell, and King Lion Neil Iverson presenting the check.

Goal Crushed during Polar Blast!

Sally Iverson, chair of the Stratton-Eustis Canine Companions for Wounded Veterans Initiative, holds a chart showing that the goal of \$10,000 was crushed during the activities of Polar Blast. A raffle for a cord of hardwood, cut, split, and delivered by Lion Ed Hobbs, brought in \$1359.00. Canine Companions for Independence Puppy- in -Training, Bennix, visited over the weekend, encouraging spontaneous donations by individuals, businesses, and collection jars, bringing the new total to date of \$11,500.00 !

With the drive scheduled to go forward until the end of August, the club has supported Sally in raising the new goal to \$15,000.00. This money will go to Canine Companions for Independence/ Wounded Veterans Initiative, an organization that places skilled assistance dogs with veterans with physical disabilities and/or PTSD.
