My Events

In My Events, you can see all the Events you are registered for, and whether or not you have paid for them.

In addition, you can see all events in the past that you registered for. Alas, we don't know everything so we don't know if you actually attended. But you were on the list!

You can provide feedback to your chapter event planners by completing a simple 3-question survey. Answers are anonymous so help us out by letting us know what you think!
