NMP UPDATE WORKING SESSIONS

In order to complete your NMP Update, you should bring the following with you:

- ◇ Your NMP Workbook/Binder from your original NMP Class and your most recently updated NMP. This is the binder(s) that has all of your maps, soil information, etc.
- ◇ Your login/password information for the web-based goCrop.
- ◇ New manure test(s) (required every year) and soil tests (required every 3 years) .
- ◇ Farm records for 2018: manure production and spreading records, crop records, grazing records, animal numbers, etc.
- ◇ If you have added any fields, you should bring in new maps for those additional farms, tracts, or fields.
- ◇ Any updated RUSLE2 based upon a yearly rotation for any new fields.
- ◇ Reporting forms for CSFO/MFO/LFO or any other certification.
- ◇ Payment (via debit/credit card) if your goCrop subscription is not up-to-date.

If you have questions about any of these items, please give us a call and we can help you figure it out.

Contact your Land Treatment Planner (LTP) if you need new maps or RUSLE2s for new fields.

If you cannot make these days but would still like to participate, call us for another appointment time.

Please be aware if you do not have an up-to-date 2018 plan you will most likely have additional work to do, and it is best to contact us ahead of time to sort those details out.

PLEASE RSVP!
