Building Bridges

Collaborating in the Community

2018 IEA Global Conference

20-22 July 2018 – Cincinnati, Ohio USA

Pre-Conference Day 19, July 2018

Building Bridges is about coming together as an Enneagram community, reaching further in and further out. We reach in to continually build a global community that is inclusive, open, and willing to grow; we reach out to put that work into the world and invite others to participate.
