

NEW PARKING (Revised Feb 2018) FOR LACGC and POLICY & TRAINING INSTITUTE EVENTS

Please note as of January 1, 2018, parking for LACGC and Policy & Training Institute events will be at the Museum parking lot located at 39th & Figueroa (see map).

Please arrive and give yourself an additional 10 plus minutes to make your way to the training location (follow the red arrows on the map below).

We apologize for this change. The parking lot we used previously is no longer available to us. We are arranging for parking closer to our Clinic and that process is not yet finalized.

On behalf of the Policy & Training Institute,
Quint Paige
Training Coordinator
Policy & Training Institute at LACGC
