Letter of recommendation - Aaron Newton

To whom it may concern,

I'm writing to you on behalf of Aaron Newton, I had the pleasure of working closely with Aaron as the Co. Director of Operations at Desert Grown Farms for roughly seven months. The facility is 55K sq. ft. with 35K sq. ft. of canopy comprised of 10,000 plants. Aaron was a key player on our flower crew, he exhibited a great work ethic, attention to detail and passion for his work. He consistently excelled in many difficult tasks around the facility and did a great job running crews performing various tasks throughout the facility. Aaron is honest, trustworthy, reliable and I believe would make a great addition to any cultivation team.

Sincerely,

Dereck Reyes
