### ABOUT THE ARC OF DELAWARE

The Arc of Delaware is a statewide non-profit organization dedicated to advocating for and serving Delawareans with intellectual and developmental disabilities (I/DD) and their families. We encompass all ages and more than 100 different diagnoses, including autism, Down syndrome, Fragile X syndrome and other developmental disabilities. The Arc of Delaware champions the civil rights of the estimated 27,000 Delawareans with I/DD while ensuring they have the supports and services they need to be fully engaged in their communities.

### ADVOCACY

Promoting and protecting the civil rights of the estimated 27,000 Delawareans with I/DD is what drives The Arc of Delaware. By providing a voice at the state and local legislative levels, we champion the policies, services and funding needed to secure civil rights in housing, employment, health care, education, criminal justice, accessibility and more. We work closely with community leaders and influencers, the media and other agencies to foster respect, raise awareness and remove attitudinal barriers to full community inclusion and acceptance of people with I/DD.

### SERVICES

The Arc of Delaware provides an array of helpful services in areas of housing, employment, community outreach and recreation. We also encourage and provide supports for self-advocacy.
