Missionary Prayer Requests

Inspired by Philippians 3:13-14 and where they are with Travis's cancer treatment, **Travis & Amy Johnson (Serge/Uganda)** send the message to all of his prayer warriors, "May the Hope of the Risen King embolden you to press on in your life's circumstances." Pray for the miracle of complete healing.

Paul & Liz Meiners (MTW/Europe) ask that you pray for the time spent during the Europe Area Retreat, April 25-30.

Pray that all of the participants will be witnesses to the hotel staff and that they will see Jesus in them; pray for Paul to be winsome, clear, and concise as he MC's many of the meetings; pray for the ladies night to be a time to "inform, connect, and encourage." Pray for all of the workers serving the participants' children; finally, pray that all who attend will experience great restoration in their lives, that is, "refreshment, refocus and growth as a community that listens and speaks with God."

Frank & Cindy* (MTW/W Africa) ask that you pray for the major Jesus film project that several teams are wanting to launch as a method to reach 2 large unreached people groups. Pray for their youngest daughter Esther that graduated from college in December – pray that she will find a job more aligned to her studies.

Vladimir Degtyaryov (Ukraine) ask that you pray for the evangelism outreach plans that are in the works for this coming summer, which will involve both students and faculty: "God willing, ZBCS will never 'major' in knowledge and 'minor' in application." Pray for the successful conclusion of this school year and for their graduates' future paths of ministry in the churches.

Robert & Teresa* (Europe) ask that you pray for the city of Moscow that holds 15 million people: "The city continues to grow but the church is falling behind as many of the churches are not reaching the next generation." Pray for Moscow – pray that the churches will have a passion for church planting; pray for the current pastors and church planters; pray for more men and women to pray for this city.

Moe & Git Montenegro (CO/Thailand) ask that you pray for the Thai summer project that will commence May 29 – this project is to train Christian students in the ministry.
